COMPETENCIAS RELACIONADAS CON EL EMPLEO

Employment-related skills

- I have been responsible for the training of new staff to the department.
- I am a great support to the department in solving technical questions.
- I am self-critical about my own work and I am not satisfied with just making things work, the work has to be well done.
- I like to learn new technologies and face them without fear of not knowing how to use them.
- I am very quick to get by when faced with unfamiliar areas, I learn quickly and apply the knowledge acquired in other areas to better support myself in new tasks.

DRIVING LICENCE

Driving Licence: B
